ZEKI

## Step 1. Charging

Charging

Before using your new Zeki tablet, it needs to be fully charged.

Connect the tablet to an AC outlet using the included adaptor. Initial charge time will be about 5 hours.

Step 2. Connecting to the Internet

Connecting to Wireless Internet

1. Press the **Settings** 📶 Icon.

2. Locate the **Wi-Fi** 📶 setting and slide it to the **On** position.

3. Select a network from the list of available networks.

    To refresh the list of available networks, press the **Scan** *button.*

    To manually add a network, select the **Add Network** *button.*

4. Select **Connect** from the pop up menu.

5. If the network is secured with a password, enter the password to continue.

6. Once finished connecting, the display will show **Connected** under the name of the network.

Step 3. Installing the Pre-loaded Apps while connected to the Wi-Fi
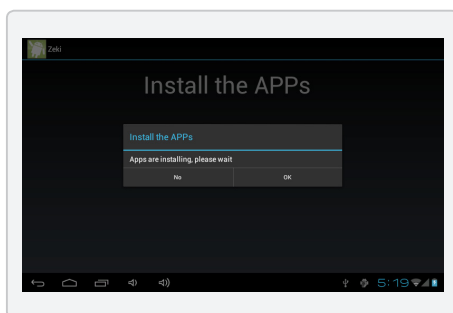

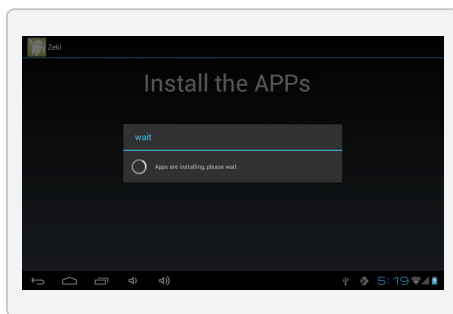

How to Install the Pre-loaded Apps

Your Zeki tablet comes with a number of important and useful pre-loaded apps as well as a detailed user's manual.

These include:
- Amazon App Store
- Aldiko E-book Reader
- Es Explorer

To install these apps and access the user's manual, follow the steps below.

1. Press the **App Menu** button in the upper right hand corner.

2. Press the **Zeki** Icon.

3. A pop up menu will appear on the screen.

4. Select **Install the Apps** and press **Ok** when prompted.

5. The message **Apps are installing, please wait** will appear. Please wait until all apps are installed before beginning to use the tablet.

6. To access the user's manual, open the Aldiko E-book Reader app, press **Shelf View** and select the user's manual.

Congratulations! You are now ready to use your new Zeki tablet.
